

WHEELWORKS

A MOBILE SOCIAL SPACE

WHAT IS WHEELWORKS CHILLCART?

- A self-contained mobile social space, with free Wi-Fi, lighting and electric sockets
- Designed to support good relations themed outreach in the heart of any community across NI
- Offering a chilled and inclusive safe space to support detached youth work
- Stocked with a welcoming supply of hot chocolate, tea, biscuits and toast
- Comes with a supply of games (including a PlayStation) and bean bags for chilling and building friendships
- Option for WheelWorks Youth Engagement Officers to help navigate good relations activities onboard
- Option for professional artists to deliver a wide range of fun visual & digital art activities onboard
- Equipped with the latest digital technology, software and highest quality art materials
- Fully inclusive space with wheelchair access
- We can travel to any location across Northern Ireland
- Gazebo set up to extend the ChillCart space to cater for larger groups
- ChillCart Vehicle dimensions: 30 ft. long × 8 ft. wide / 18 ft. wide with stage area open
- All activities can be delivered in your venue without the ChillCart Vehicle

WHAT DO WE DELIVER?

- Visual arts such as Arts & Crafts/Painting/Sculpture/Street Art/Murals
- Performance arts such as Drama/Dance/Scriptwriting/Filmmaking

WHAT WILL WE DO?

- Work with your organisation to generate creative ideas tailored to support individual needs of young people in your area
- Create a safe space to explore themes such as good relations, personal development and healthy habits
- Professional assistance from experienced Artists and Youth Engagement Officers
- Provide artistic options to build confidence and enhance creative and digital skills for your group
- Improve opportunities for young people to access the arts and technology by promoting inclusion, diversity & equality for all
- Enhance detached and/or outreach engagement with welcoming visual and digital arts activities
- Provide flexible booking options and bespoke pricing to suit most budgets
- Deliver a professional, quality service that takes you through the booking process with ease

WHY WHEELWORKS?

- 26 years' experience of bringing creativity to the lives of young people across NI
 - Diverse and professional staff team specialising in art, participation & youth engagement
 - We deliver to primary & post primary schools, youth & community groups and to large & small community & public events
 - Engaging and imaginative workshops/projects have included drama & dance performances, photography, creative confidence and mindfulness workshops, board game design, single identity and wellbeing workshops, community transformation projects, character animation, music production and seasonal arts & crafts to name but a few
 - Now more than ever we recognise how valuable the arts and technology is for everyone, from the benefits it has for boosting emotional wellbeing, finding new ways to express ourselves, in helping to facilitate good relation themed discussion, injecting inspiration and excitement into the lives of young people and providing access to innovative resources that enhance creative and digital skills.
-
